

DelicaSea™

CLEANED Calamari

DelicaSea® Uncooked, Cleaned Calamari is a premium quality frozen seafood that has been carefully harvested and processed to ensure the peak of freshness. DelicaSea® Calamari is produced from the specie loligo, in the family Loliginidae. Calamari is a delicious, inexpensive, nutritious and especially pure seafood enjoyed worldwide. It is one of the world's few underutilized aquatic species and is therefore ecologically sound, as well as a culinary delight.

DelicaSea® Calamari have been completely cleaned for your convenience, and once thawed are ready to use in a variety of preparations such as fried calamari, stuffed calamari, baked calamari and in gumbo or pasta sauces.
