SHELL-ON UNCOOKED BLACK TIGER Shrimp

ACC REGISTERED BUYER # B10021

DelicaSea® Block Frozen, Uncooked Headless Shell-On Black Tiger Shrimp are processed from farm raised shrimp that have been grown in pristine waters under carefully monitored and environmentally sustainable conditions to ensure premium quality and freshness. The black tiger shrimp (*penaeus monodon*) is the major aquaculture shrimp species in Asia. Its dark pigmentation produces a reddish color when cooked and is prized by chefs worldwide for its visual attractiveness and for its medium firm texture and sweet mild flavor.

DelicaSea® Block Frozen, Uncooked Headless Shell-On Black Tiger shrimp are layer packed and frozen in a solid block of ice. This protective barrier eliminates concerns about dehydration or damage to the product. This enhanced shelf life plus value pricing makes this product very appealing for wholesalers and distributors selling to the restaurant trade. Once thawed and cleaned, these shrimp are ready to use in a wide variety of menu preparations.

DelicaSea
